Professional Experience

Fratelli Carli S.p.A. BCorp

IT Operations and Monitoring Manager

October 2018 - Present | Imperia, Liguria, Italy

- Lead a team responsible for 1st/2nd level support and system monitoring, ensuring optimal performance, security, and availability of IT systems.
- Pioneered the adoption of CI/CD pipelines, containerization, and Mobile Device Management (MDM), significantly improving deployment processes and operational reliability.
- Strengthened compliance with ISO 27001 and GDPR, fortifying data protection frameworks and minimizing security risks.
- Engaged directly with C-level executives (COO, CFO, CEO, CMO) to align IT strategies with business objectives, ensuring robust support for corporate goals.
- Supported contract negotiations and managed IT hardware/software procurement.
- Achieved substantial cost savings by strategically migrating from high-cost specialized devices to more affordable, yet effective, consumer alternatives, resulting in over 80% cost reduction on mobile devices.
- **Skills:** DevOps, IT Strategy, Cybersecurity, Leadership, IT Contract Negotiation, Priority Management, Microservices, IT Procurement.

Fratelli Carli S.p.A. BCorp

System Administrator

April 2007 - October 2018 | Imperia, Liguria, Italy

- Managed over 100 virtual and physical servers (Linux and Windows) on VMware vSphere hypervisor, ensuring high availability, performance, and security.
- Held accountability as a Red Hat Certified Engineer (RHCE).
- Implemented and managed the configuration, maintenance, and support of client infrastructure, ensuring optimal performance and reliability of end-user devices.
- Administered Active Directory services, including user account management, group policies, and access control.
- Implemented and managed client and patch management solutions to ensure systems were up-to-date and secure, reducing vulnerabilities.
- Skills:** System Architecture, Network Administration, Red Hat Linux, Windows Server, Virtualization, Domain Architecture, Workstation Administration, Automation.

Certifications

- Red Hat Certified Engineer (RHCE)**
- Certified Information Systems Security Professional (CISSP) - Candidate**

Education

Laurea Magistrale in Scienze Politiche

Universita degli Studi di Pavia | Graduated in 2006

Projects and Achievements
